MEMORANDUM FOR: Records

SUBJECT : CIA Organization Assignments of Military Personnel

1. Chief, MPB received a telephone call on 4 August 1975 from Mr. John L. Slack, Director Resources Management, Assistant Secretary of Defense (Intelligence). Mr. Slack requested the organizational assignments of military personnel. [redacted] from the Intelligence Community Staff had requested Mr. Slack to call Chief MPB to get the information on this subject.

2. Mr. Slack was advised to check with our Joint Chief of Staff focal point officer to get the answer to his question since this was our normal chain on matters of personnel. Major Catlett from the JCS called to inform us that Mr. Slack had called him for the information and that JCS was unable to answer his question and that Mr. Slack would be calling Chief MPB again. Mr. Slack was pursuing this question for Dr. Hall who was going before Congress on the 5th of August. In the meantime the EA/OP had obtained permission to release the information to Mr. Slack and authorized Chief, MPB to release the figures. Mr. Slack called Chief MPB again at 5:00 p.m. and confirmed that Dr. Hall needed this information by 0900 hours on the 5th of August as he was testifying before Congress and that Dr. Hall wanted this information for the Executive session to insure them that only a small number of military personnel were assigned to the CIA. Chief MPB requested the green line number and called Mr. Slack on a secure phone and released the following information.

a. Military personnel with the Agency Organizational elements:

ICS/NIO - 13
DCI - 1
DDA - 51
DDI - 6
DDO - 75
DDS&T - 29

Total 175

b. Chief MPB further explained to Mr. Slack that this figure included both the assigned and "detailed for duty with" categories which were broken down organizationally as follows:

DDA	-	28
DDI	-	3
DDO	-	66
DDS&T	-	<u>4</u>

Total 101 = "detailed for duty with"

3. Mr. Slack thanked Chief MPB for the information and seemed pleased with the response.

Briefing Paper on Military personnel, both assigned and non-assigned.

- a. MPB sends a monthly report to Office of Finance. This report is the Military Strength Accounting Ledger, Agency Form 1649 which records all assigned reimbursable military personnel with the exception of those Air Force personnel which are non-assigned and called "detailed for duty with" [REDACTED]

- b. Transactions & Records Branch records only those assigned military personnel whenever a personnel action, Form 1152 is submitted by MPB. This personnel action will always reflect reimbursable or non-reimbursable. Only those reimbursable positions will show up on the Personnel Status Reports (Job No. 120 a, b & c).

120 a is the Alphabetic listing

120 b is the Alphabetic listing by rank and by service

120 c is the Alphabetic listing by rank, by service, by cost number and by office

- c. As of 30 June 1975 the Personnel Status Report showed 78 assigned reimbursable military positions. For 31 July 1975 this report showed 72 positions. Since this report only shows the formally assigned military reimbursable positions MPB adds 7 additional positions which the Agency reimburses for, but a Personnel Action was not submitted because a Form 1152 is not submitted on "detailed for duty with" positions.

The 7 Positions are:

- General Walters
- * 2 Army Focal Point Officers
- * 2 Army EM Passport Officers
- * 2 Navy - 1 officer & 1 EM FPO

* "Detailed for duty with"

Any personnel transactions taking place during the month could increase or decrease the end of the month figure on the 120 report.

- d. The difference between the formally assigned military personnel and the "detailed for duty with" positions is the formally assigned count against agency ceiling and they encumber an authorized position. The "detailed for duty with" personnel are not counted against anyone's ceiling but the Agency has agreed to reimburse the services for their support of the Agency.
- e. As of 8 August 1975 we had 101 "detailed for duty with" positions in support of the Agency.

- 28 - DDA
- 3 - DDI
- 66 - DDO
- 4 - DDS&T

These 101 positions will not show up on the Personnel Status Report. Office of Finance
